Delight your dog this holiday season with one of our Pet's Choice Naturals Holiday Sample Packs!

We've packed these samplers full of customer favorites. Learn more about what's inside on Page 3.

Our beef chews & treats made from **free range, 100% grass-fed cattle** without hormones & any added preservatives.

- Thick, chewy, premium **Beef Bully Sticks**, slow-roasted to deliver great flavor & long-lasting chewing time.
- **Hand-crafted Beef Bully Sticks**, shaped into **spirals, rings & braids**, slow roasted, so same great flavor as regular bully sticks. The unique shapes will keep your dog entertained while he chews & help reduce boredom.
- **Beef Trachea & Beef Trachea Chips**, for an enticing, tasty treat that dogs love just as much as our bully sticks!
- **NEW! Cow Ears, Bully Stick Dusted.** These amazing treats are quickly becoming every dog's favorite alternative to rawhide chews! These 100% beef ears are dusted with a ground bully stick coating to create an irresistible treat for your dog. As your dog chews, his saliva rehydrates the ear, making it sinewy for extra pulling & chewing – just like our regular **Cow Ears**.
- **Cow Tails** start off crunchy & then again rehydrate & become chewy, similar to Cow Ears, adding extra chewing time.
- **Beef Esophagus, Beef Backstrap & Beef Tendon** – these new products provide a great chewing & gnawing experience while delivering great taste. Let us know which one your dog likes best!
- **Cow Hooves** consistently remain a customer favorite for long-lasting chew time.
- **Beef Rib Bone** has just been added to our line for a flavorful dog bone.
- **Pig Pizzle Braids** – slow roasted in a braid shape for long-lasting, great-tasting chew in pork flavor.

All of the chews & treats in these **Holiday Sample Packs** are 100% digestible & single ingredient. The only exception is our Cow Ear, Bully Stick Dusted, made with 100% Cow Ears & Beef Pizzles.

For additional individual gifts for your canine companion, please check our Holiday Labeled individual Natural Chew & Treat packages on pages 4-5.

Probiotics-Digestive Health

Customer Favorite!

Puppy Booster

Our Own Best Seller!

Dog Probiotic Powder by *Pet's Choice Pharmaceuticals*

- A Healthy gut strengthens your pet's immune system.
- Helps with Digestive problems: Diarrhea, Gas & Bad Breath.

A source of live (viable), naturally occurring micro-organisms, in a highly palatable water soluble formula for digestive health in dogs & cats. Puppy Booster helps strengthen the animals' immune system & stress management responses. Pets love the great flavor bringing your pet back to their water bowl to maintain hydration.

Directions:

Puppies/kittens: mix 1 tablespoon with 1 gallon water.

Adult dogs/cats: mix 1 tablespoon with 1 gallon water or sprinkle 1 teaspoon over food every 3 days. If not consumed mixed solution should be discarded within 24 hours.

Ingredients: dextrose, dried lactobacillus (acidophilus) fermentation product, dried lactobacillus (lactis) fermentation product, dried (enterococcus) fermentation products, citric acid, glycine, sodium bicarbonate, calcium, salt, potassium chloride & more. **Contains:** lactic acid bacteria-6 billion C.F.U.'s per lb. Digestive Aids

Grizzly Krill Super Antioxidant (for dogs) by Grizzly Pet Products

Grizzly Krill Oil is sourced from wild Antarctic krill with high levels of a natural antioxidant called Astaxanthin, which gives krill its deep red color. Antioxidants in krill oil aid have been shown to aid in the elimination of free radicals, by helping to safeguard your pet against the unstable molecules created primarily during digestion. Grizzly krill oil contains omega-3 lipids (phospholipids). Phospholipids act much like an emulsifier that helps assist your dog in nutrient absorption and help maintain healthy membrane in the digestive tract.

What Grizzly Krill Oil can do for your Dogs

- . Natural Antioxidant that helps support the elimination of "free radicals"
- . Helps maintain healthy membranes in digestive tract and helps assist the absorption of nutrients
- . Helps support health of liver, ocular, respiratory, cardiovascular & vascular functions
- . Helps maintain good health in body's cells and tissues

Customer Favorite!

Clenz-a-dent® Rawhide Chews (for dogs) (Beef hide) by Ceva Animal Health, LLC

Long-lasting & tasty rawhide chews support your dog's dental hygiene between trips to the vet. Contains an enzymatic blend to break down the biofilm on your dog's teeth & gums. When your dog chews, the abrasion strips away plaque & tartar while preventing plaque & tartar from returning. Chewing rawhide chews helps insure your dog's mouth stays healthy for longer stretches of time. Poultry flavor your dog will love. **Directions for oral use:** give up to one chew per day, preferably after meal.

Shampoos & Rinses

Antiseptic, Antifungal, Antibacterial & Anti-Inflammatory

Zymox® LP3 Enzyme System Shampoo (for dogs & cats)

Help protect your pet's natural skin barrier against infectious microbes. The enzymes used are very mild plant surfactants with anti-inflammatory properties to calm the skin & addition of Vitamin D helps relieve surface irritants & hydrate your pet's skin. Contains no harsh detergents, steroids, or petroleum by-products & has a pleasant fragrance.

Why to use Zymox® LP3 Enzymatic Shampoo

- Helps calm & soothe allergy prone skin
- Helps provide natural inflammation relief

013PKB-22902 12 oz13.99 ea
 013PKB-22912 1 gallon92.99 ea

Volume pricing available. Call for details.

Zymox® LP3 Enzyme System Conditioning Rinse (for dogs & cats)

Leave in rinse that helps add to optimal protection of pet's skin by producing a powerful protective barrier against minor skin inflammation & surface irritations due to bacterial & fungal microbes. Rinse is also safe to apply full strength to most problem areas. Contains no harsh detergents, steroids, or petroleum by-products & has a pleasant fragrance.

Why to use Zymox® LP3 Enzymatic Conditioning Rinse

- Helps pet's skin provide a powerful natural barrier against fungal & bacterial minor skin inflammation & skin irritations

013PKB-22903 12 oz13.99 ea
 013PKB-22913 1 gallon92.99 ea

Douxo® Calm Shampoo (for dogs & cats)

Soap-free shampoo helps support sensitive & allergic skin in dogs & cats. Purified fraction of oatmeal, plant extracts & lipids help soothe skin irritation, moisturize & help restore skin protective barrier.

Why use Douxo® Calm Shampoo

- Helps reduce redness, inflammation & moisturizes sensitive skin
- Helps support the protective natural skin barrier

013SOG-01493 3 liters, Calm shampoo-Douxo208.99 ea

Douxo® Seborrhea Shampoo

Soap-free formula that contains moisturizers & film-forming agents that help moisturize & help regulate the production of sebum that may cause greasy skin for your dog and cat. It also help soothe irritation & inflammation, & restore the natural skin protective barrier leaving pet's hair soft & shiny.

Why to use Douxo® Seborrhea Shampoo

- Helps relieve & helps prevent "greasy dandruff", or seborrhea & odors associated with excess sebum build-up on your dog & cat's skin.
- Helps soothe skin & helps control inflammation
- Helps restore pet's natural skin protective barrier

013SOG-01413 500 ml, Seborrhea shampoo-Douxo27.99 ea

More medicated shampoos online!

Universal Medicated Shampoo (for dogs & cats)

Antiseptic shampoo for dogs & cats, that helps provide antifungal & antibacterial actions. The deep cleansing action helps remove scales & crusts from pet's skin reducing associated odor. Universal medicated shampoo may be used along with therapy for most dermatological conditions in dogs & cats. Gentle enough for regular use.

Why to use Universal Medicated Shampoo

- Helps fight odors associated with scales & crusts on your pet's skin
- Helps provide antibacterial and antifungal activity against infections caused by bacteria & fungi

013VS-01 16 oz17.45 ea

Fresh 'n Clean® Medi-Clean® Shampoo (for Dogs Only)

Medicated shampoo made with ingredients to help soften skin & help relieve scaling dandruff, dermatitis, itching & dry skin. Nonirritating & nondrying. May be used for regular bathing. Fragrance free.

Why to use Fresh n Clean Medi-Clean Shampoo for Dogs Only

- Helps soften dry skin & helps relieve itching
- Helps aid in scaling dandruff & dermatitis

Chronic Wound Care

QuickDerm® Wound Technology (for dogs, cats & horses)

For companion animals that have slight to severe, or chronic wounds, QuickDerm® has proven to aid in the treatment and healing process of the epidermis, promoting a healthy granulation bed without causing proud flesh. QuickDerm® only requires application once a day. QuickDerm® is formulated from ingredients, composed of metal ions. This formula is steroid an antibiotic free, so it "will not test" on show horses.

When to use

- Foot pad injuries
- Stress-induced lick granuloma
- Secondary wounds post-surgery
- Burns
- Non-infected abscesses, & decubitus ulcers
- Hot spots & road rash

Heated Mats & Pads

Made in the
USA

Kane's Pet Heat Mat *by Kane Mfg.*

- Durable, easy-to-clean consistent heating mat.

Gives your pet a safe warm mat that is perfect for outdoor pens, kennels, garages, dog houses, whelping areas, veterinary clinics & reptile habitats. Pet heat mat temperature control must be used when heat mat is installed inside any confined area. The heat mat may not feel warm to the touch. As the animal lies on the mat surface the body traps the heat thereby giving the animal the desired warming effect. Made of polyethylene. NRTL, CSA/US approved. Made in USA. Rheostat also sold separately. Covers available online-sold separately.

Dog Rocks® 100% Natural Minerals

- No more urine burn patches on your lawn.
- Just add Dog Rocks® to your pet's water bowl.

Save your lawn from urine burn patches by placing rinsed dog rocks in your dog's water bowl. All-natural rocks filter out impurities in the water, such as tin, ammonia & nitrates that are generally passed through your dog's urine. Without the impurities in the water, Dog Rocks® helps your dog fertilize your lawn & not cause yellow burn spots.

090DR-DOG00116.31 ea

No more urine burn patches on your lawn.

Waste Removal

No bending or stooping.

Flea & Tick Solutions

Treat your Pet: Oral, spot-on topical, flea &/or tick preventative collars, provide fast-acting solutions for flea &/or tick control. Some heartworm preventatives also contain flea &/or tick preventative options.

Treat your Home: Carpet sprays, powders, or foggers provide an effective yet easy-to-use solution to controlling fleas &/or ticks that may be in your carpet, under furniture or in crevices where fleas love to hide.

Treat your Yard: If your dog or cat spends time in your yard a hose-end applied flea & tick spray helps control fleas & ticks that may be hiding in grass &/or shrubs. Some yard sprays also deter mosquitoes.

Flea & Tick Collar/Topical for Pets

BioSpot Active Care® Flea & Tick Collar For dogs only!

Mycodex® SensiCare™ Flea & Tick Shampoo (for dogs & cats)

- Kills fleas & ticks, yet soothing, won't irritate sensitive skin.

Restores natural luster to the hair coat. Synergized synthetic pyrethrin kills fleas fast on dogs, cats, puppies & kittens without skin irritations. For use on dogs, cats, puppies & kittens 12 weeks of age & older.

013VPL10-12 12 oz11.99 ea

*Mycodex® SensiCare™ Flea & Tick Shampoo cannot ship to New York or California.

Fresh 'n Clean® Flea & Tick Shampoo

(for dogs & cats)

Conditioning shampoo with natural pyrethrins quickly kills fleas & ticks without the harsh chemicals. Does not kill flea eggs. Residual effect helps weaken the fleas once the eggs hatch. Leaves a pleasing fragrance that lasts up to 2 weeks. Enriched with coconut extract. Safe for use on dogs, puppies, cats & kittens over 12 weeks old.

013TRP-22585 18 oz (fresh scent)8.99 ea

Flea & Tick Shampoo by Bio-Groom® (for dogs & cats)

Cleans gently without stripping essential oils from skin & gives the coat a healthy sheen. Easily rinses, leaving the coat manageable & fresh smelling. Combines natural pyrethrins enriched with a baby-mild protein-lanolin shampoo base for maximum effectiveness in killing fleas, lice & ticks. Safe for puppies & kittens. pH balanced. Concentrate 5:1.

013BIO-10112 12 oz6.99 ea

Natural Anti-Flea Spray Shampoo Vet's Best by Bramton (for dogs & cats)

- Naturally kills fleas on contact with peppermint oil & clove extract.

Freshly-scented bath also gently cleans the coat & calms flea-bitten skin. Safe to use on dogs & cats 12 weeks or older. Contains absolutely no pyrethrins or cedar oil.

004BRA-0347 16 oz, spray6.99 ea

Advantage® Flea & Tick Shampoo (for dogs or cats)

- Quickly kills fleas & ticks on contact.

Effectively kills fleas & ticks to keep those irritating parasites from bothering your pet. Unscented for pets or owners sensitive to fragrances. Safe to use on dogs, puppies, cats or kittens over 12 weeks of age following label instructions. Do not repeat treatment for 7 days. **Contains:** 0.150% pyrethrins.

IMPORTANT NOTICE!

FEDERAL LAW REQUIRES THAT YOUR ORDER FOR ANY OR ALL PRESCRIPTION DRUGS BE ACCOMPANIED BY YOUR VETERINARIAN'S ORIGINAL PRESCRIPTION WHICH SHOWS THE QUANTITY OF DRUG ORDERED, THE NUMBER OF TIMES THE PRESCRIPTION CAN BE REFILLED, SPECIES OF ANIMAL THE PRESCRIPTION IS FOR, THE VETERINARIAN'S ADDRESS, AND PHONE NUMBER. ORDERS FROM LICENSED VETERINARIANS MUST INCLUDE THEIR STATE LICENSE NUMBER! FAXED PRESCRIPTIONS MUST BE TRANSMITTED TO THE PHARMACY BY THE PRESCRIBING VETERINARIAN ONLY. ALL PRESCRIPTION ITEMS ARE NON-RETURNABLE / NON-REFUNDABLE! Federal (U.S.A.) law restricts the use of Rx drugs to use by, or on the order of, a licensed veterinarian.

Joint Health Supplements for
 a healthy lifestyle in dogs of all
 ages, sizes & activity levels.

- #1 Veterinarian Recommended.
- Use Cosequin® to help your pet climb stairs, rise & jump!
- Supports & maintains healthy joints & cartilage.

Published studies have shown the
 trademarked ingredients in Cosequin®
 work together to help maintain the carti-
 lage structure while inhibiting enzymes
 that break down cartilage to enhance a
 dog's mobility & quality of life.

Call us for complete selection
 of Cosequin® products.
