Animal Clipping Solutions

# You provide the care. We'll take care of the rest.

You do everything for the animals entrusted to your care. So you choose Andis® clippers and trimmers for the innovative features, reliability and accessories that provide the perfect combination of flexibility and control. You can see it in the way animals remain calm around the quiet-running motors. You can feel it in our cool running, fanless tools that won't blow hair into incisions or wounds. You can believe in Andis, a top choice among veterinarians.

**If your heart just skipped a beat, don't worry.  
It's a common reaction.**

## **Presenting the Pulse Ion™ Cordless Clipper**

**The AGR+ Series. Powerful, cordless, detachable blade clippers that perform—all day long.**

If you seek quick and easy results in a heavy-duty product that can handle rigorous use, look no further than the AGR+ series. Its powerful, high-speed motor cuts at 3,800 strokes per minute and runs continuously for 60-75 minutes with a fully charged battery pack.

We packed more power into this series and made it 15% faster and 10% smaller than comparable models. It's convenient as well, with cordless operation that enables easy mobility around animals and where power simply isn't available.

Convenience carries over to virtually maintenance-free operation with no oiling or greasing of internal parts and a full complement of accessories.

- Use with the AGR+ cord pack adapter
- On/Off switch with lock for safe operation
- Heavy-duty storage case holds and protects components
- Works with Andis UltraEdge®, CeramicEdge®, ShowEdge® and Oster® A5 blades (sold separately)
- See power accessories below

- #40SS CeramicEdge® Blade, 64350
- 2 Ni-MH battery packs
- Compact trickle battery charger—recharges battery in 8-10 hours and will not overcharge
- Car charger adapter for quick charges at on-site visits
- Blade oil

- #10 CeramicEdge® Blade, 64315
- 1 Ni-MH battery pack
- Sensa-Charge® battery charger—quickly recharges battery in 1 hour or less with refresh mode that recharges and conditions battery to maximum performance overnight

# Form. Function. Flexibility. Andis® is the right choice.

If we heard it once, we heard it a thousand times. Animal care professionals choose Andis® brand products because they run smoothly and quietly, stay cool and work as hard as you do—all day long. They compliment the blades and accessories that simplify the way they work and provide the flexibility when it's needed most. And while there are hundreds of reasons to select Andis brand clippers, trimmers and professional grooming accessories, we know there's one that is matched perfectly to your needs.

## Safely and quickly shape nails in need of a trim.

### 2-Speed Nail Grinder 65880

Our 2-speed nail grinder is the perfect balance of power and control. The rotating grinder head files sharp and jagged nails without cutting into the quick or leaving rough edges that may occur with traditional nail clipping.

- 
- 2 Speeds—7,000 and 12,000 RPM for controlled and efficient nail finishing
  - Stone for final nail finishing and shaping
  - Perfect for both dogs and cats
  - Softgrip silicone sleeve
  - Soft case for convenient storage and transport

**Nail Grinder Replacement Accessory Pack 65920**

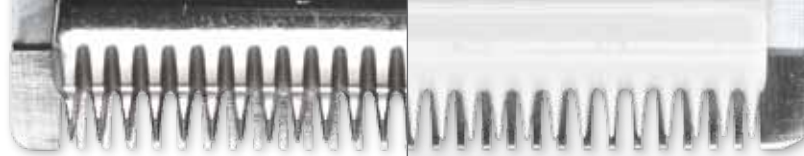

## Before your procedure, trim with precision.

### PowerTrim® Trimmer 32320

The quiet, light-duty PowerTrim® is an ideal solution for quick and easy prep before procedures. Rely on the stainless-steel blade for precise, controlled trimming and a powerful Ni-MH battery that recharges overnight for a full day's work.

- Cordless, ergonomic design
- Stand-up charger with LED indicator light
- 4 attachment combs: 1/16", 1/8", 1/4", 3/8"
- Blade oil

## UltraEdge® blades

For a dependable, long-life blade, look no further than Andis® UltraEdge® blades. Our exclusive carburized hardening process keeps blades sharper for a longer time. Add a special chrome finish that inhibits corrosion and you have cutting solutions that will last for years.

**Cool Care Plus®****12750**

Cool Care Plus® is a 5-in-one coolant, lubricant, cleaner, rust preventative and disinfectant (virucide, fungicide, bactericide and tuberculocide) with a country-fresh scent. Do all of this in one step without removing the blade from the clipper. The SureGrip™ sculpted can is easy to hold, and its high-pressure comfort tip nozzle quickly sprays hair out of blade teeth.

**Blade Care Plus®****12590 (Bottle) & 12570 (Jar)**

In just 10 seconds, Blade Care Plus® leaves blades clean, lubricated and cool for optimal performance. Formulated for use by hair stylists, barbers, animal groomers and veterinarians, this 7-in-one, Vitamin E enriched formula cools, deodorizes, lubricates, cleans, prevents rust and decontaminates. Dip any detachable blade in the jar or conveniently spray blades to rinse away hair, buildup and preservatives.

**Andis® Clipper Oil****12501**

Use Andis® clipper oil to lubricate and clean blades. Brush hair from the blades, add a few drops and wipe away excess oil with clean cloth. Hang or store your Andis clipper with the blades down to prevent excess oil from entering the clipper body.

**Blade Brush****12415**

The blade brush is a convenient, safe way to keep clipper and trimmer blades clean in between grooming. The broad bristle design ensures a clean blade in just a few strokes.
